[Announcer]: For Bob Casey the job of Auditor General has never been about numbers, it's been about people. He fought to expose waste and corruption

in the state lottery because every dime of that money is needed to pay for prescription

drugs for older Pennsylvanians. He blew the whistle on inadequate care

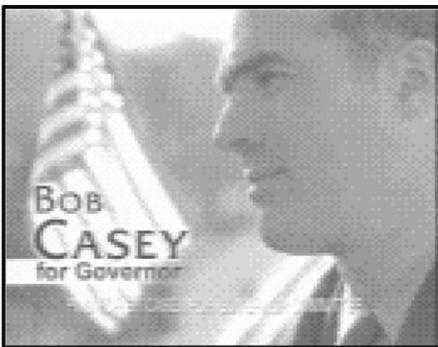

and neglect in our nursing homes in order to protect the health and safety

of our seniors. He's been an Auditor General who has never backed down.

Always fought for what's right. Bob Casey, a Governor we can

trust.
